Another win for Lucille's?! You've vodka be kiddin' me! Cheers to Lucille's American Cafe! A voter favorite this year, Lucille's offers a mid-century modern vibe and plenty of tasty, made-from-scratch homestyle fare. But it's their cocktails that voters are raving about this time. They offer a variety of craft and classics that include the Orange Blossom Special, Caffeine Fiend, You Give Me Butterflies, and the Mighty Bold of You. One guest wrote of the cocktail, Sincerely, Lucille, "It had Kettle One vodka, a sour liquor, and fresh strawberries and basil. It was freaking awesome and refreshing. Great one to have for summer in the daytime."

Lucille's American Cafe offers a shaded respite right off 3rd Street. Not only are they total brunch baddies, taking home first in that category this year, guests love their premier patio space. It is truly the perfect spot to take in the hustle and bustle of Downtown Winter Haven while enjoying a from-scratch homestyle meal. One customer raved, "Great service, atmosphere, and food. Lovely to hear they source locally and make most things from scratch. They also have a large nicely decorated dog-friendly covered patio."

They just can't be stopped! Congratulations, Lucille's, on having the Best Brunch, Best Cocktails, Best Patio, and Best Casual Dining. No pretense, only positive vibes here. Though they've only been open a few years, this Americana cafe already feels like a Winter Haven mainstay. Owners Beth and Paul Nunez have worked tirelessly to make the words in neon on Lucille's wall, 'Good. Vibes. Only.' come true for guests. Of the mid-century modern space featuring photos of Winter Haven's history, Kelly Sanford wrote in a Haven Magazine article that the owners "welcome locals and visitors alike to relax, dine, share stories, and feel the love."
